

Current Flooding Event Information - 12/29/2015

The Benton County Disaster Information Center will be activated from 9:00 until 4:30 today and will remain open as needed. This is for businesses and individuals who have been impacted or received damages due to the flooding to call in so that we can begin assessing the level of need.

Below is a list of roads impacted by the current flooding event. Drivers traveling in Benton County, especially at night need to take extra precautions as these conditions can evolve rapidly. This is a dynamic event and more roads could become impacted at any time. Turn Around Don't Drown!

Georgie Flats	State Line Rd Missouri	Andy Jack
Rocky Dell Hollow	Callis Rd	Wildflower Lane
Hwy 68 South Side	Christina Circle	Goodlet
Frisco Church	Pritchard Rd	Dixon
Springtown Rd	Big Springs Sycamore Heights	Canal
