"SERVING ROGERS - PROTECTING THE ENVIRONMENT"

March 12, 2013

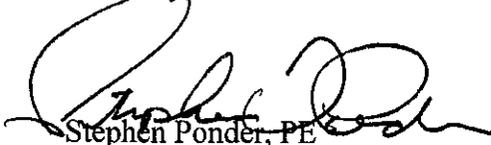

Mr. Gary Davis P.E.  
Davis Engineering  
16479 Rainbow Drive  
Rogers, AR 72756

RE: Towmate-Hwy 12E

Dear Mr. Davis:

Rogers Water Utilities has water mains available to the Towmate site proposed on Highway 12 east of Rogers. An 8-inch main is located on the south side of Highway 12 and another 8-inch main is located adjacent to the east property line for this site. Either way you decide to serve the property is acceptable to the Utility.

Sincerely,

Stephen Ponder, PE  
Project Review Engineer
