NOTE: The purpose of this form is to allow County departments and agencies with an interest in the development application to provide questions and comments to supplement Planning Division staff review. Please take the time to review the attached application and provide comments by e-mail or Fax. Attach additional pages if necessary. If you have no comments, *please indicate by checking the "no comment" box below*. Thank you very much for your assistance with this process.

**NAME OF REVIEWER:** Marc Trollinger – Fire Marshal

- No Comments  
 Comments

Issue 1: Will a backup Generator be installed on site? If so will it be Diesel or Propane? If Diesel the proper containment measures will be required.

Issue 2: \_\_\_\_\_

Issue 3: \_\_\_\_\_
